

A futuristic scene featuring a human hand and a white robotic hand reaching towards each other. The background is a dark blue space filled with glowing data visualizations, including bar charts, line graphs, and circular patterns. A bright orange and yellow light flare is positioned between the two hands, creating a sense of connection and energy. The overall aesthetic is high-tech and digital.

***AI is BOTH a major risk factor —
and risk multiplier — AND a valuable
tool in Risk Management***

- Things are moving VERY fast.
- New models, apps, capabilities, use cases, threats every day.
- Threats & Solutions proliferate

Amidst all this rapid change, what can we rely on?

- Principles (Ethics) and Processes (e.g., ISO)
- Good Governance
- Human Judgement
